CASE NO. 07 CR06712

JUDGE Belance

**PLEA OF GUILTY OR NO CONTEST TO
CHARGE(S) AND WAIVER OF RIGHTS**

1. I have the right to have an attorney and the court will appoint an attorney for me if I cannot afford one.
2. I have the right to have the nature of the charges and possible penalties explained to me.
3. I have a right to bail.
4. I have the right to have my case tried by a jury or judge.
5. I have the right to a reasonable continuance of my case if I request.
6. I have the right to question any witnesses who testify against me.
7. I have the right to present witnesses on my behalf and to subpoena them to appear in court.
8. I do not have to testify on my behalf and the state cannot force me to do so.
9. The state must prove all elements of the charge(s) beyond a reasonable doubt.
10. A plea of guilty is a complete admission of the truth of the facts in the complaint(s) and of my guilt.
11. A plea of no contest is an admission of the truth of the facts in the complaint(s) but not an admission of guilt, but permits the court to make a finding of guilty or not guilty. Such a plea cannot be used against me in any future civil proceedings.
12. If I enter a plea of guilty or no contest, I waive all of these rights and the court shall impose sentence without unnecessary delay.
13. If I am not a citizen of the United States, I am hereby advised that conviction of the offense to which I am pleading guilty (or no contest, when applicable) may have the consequences of deportation, exclusion from admission to the United States or denial of naturalization pursuant to the laws of the United States.
14. If I am on probation or parole a plea of guilty or no contest may violate my probation or parole.

_____ I am unable to read, but these rights and points of law have been explained to me by _____, who instructed me to put my initials in the space preceding this statement.

I understand these rights and points of law and willingly enter a plea of guilty/no contest (circle one) to the charge(s) of DOC CMH

The court finds that the defendant has been apprised of his/her constitutional rights and that the defendant understands them and that he/she has knowingly, intelligently, and voluntarily waived them and accepts defendant's plea of guilty/no contest.

Judge
